A legacy that spans over 80 years. A company that grew with the textile culture of an entire nation. A spirited journey of overcoming diverse challenges with innovative solutions. Since its inception in 1931, Arvind has written many success stories and re-written India's tastes in fashion.

Today, Arvind stands tall as a 2 billion dollar conglomerate with a presence marked throughout the apparel value chain - from fibre to retail. The company rose up to become one of the largest producers of denim in the world and one of India's largest producer of woven fabrics. Arvind brought to India world's famous fashion brands with the likes of Tommy Hilgner, US Polo, Gant, Nautica, Arrow to name a few. Arvind also has to its name India's largest value retail chains for branded apparels, Megamart - Unlimited.

After owning the place of pride in almost every Indian's wardrobe Arvind ventured into designing homes for them. And thus we set out on a new journey with our hearts firmly set on the singular vision of enriching lifestyles.

Founded on 90 years of legacy of The Lalbhai Group
